9 DAY MOTORCOACH TOUR

Days One and Two – Travel to South Carolina

Excitement is high with anticipation of our cruise and tour adventure as we make our way south and into the state of Tennessee where a get-acquainted dinner awaits. Later, we make our way into South Carolina. (Dinner and breakfast)

Day Three – Charleston, South Carolina

In Charleston a guided tour along the cobblestone streets lined with antebellum homes brings history alive. See the Old Market and Exchange, and visit the famous "Battery at the Harbor," which overlooks Fort Sumter. It was here, in April of 1861, that the first shot of the Civil War was fired. Later, we board our ship, the *M/S Fantasy* where we enjoy our first dinner on board. (Breakfast and dinner)

Day Four – Day at Sea

Your first full day at sea is a great opportunity to get acquainted with the many amenities Carnival's *M/S Fantasy* has to offer. This "floating resort" features fine and casual dining, complimentary 24-hour stateroom service, a full casino, including table games and slots, and dozens of fun activities. Enjoy dinner tonight at any one of the dining rooms available. (All meals on board)

Day Five – Freeport, Grand Bahama Island

When Christopher Columbus visited here in 1492, how could he have known the island he named Gran Bajamar (Great Shallows) would become the second most popular destination in the Bahamas. Although the island's capital city Freeport/Lucaya is well known for its gaming, night-time entertainment and world-class duty-free shopping,

Charleston Harbor, South Carolina

outside the city is an entire island filled with gorgeous beaches, natural wonders, including one of the world's largest underwater cave systems, three national parks and an incredible resource of marine life. There are small towns that seem to sleep in time, which hide a history unlike any other in the Caribbean.

(All meals on board)

Nassau, Bahamas

Day Six – Nassau, Bahamas

What makes Nassau so special? Picture an idyllic place with stretches of perfect white-sand beaches, gracefully swaying coconut palms offering oases of shade, and warm, crystal-clear waters revealing the secrets of incredible multi-colored marine life. Whether you spend the day shopping for duty-free gifts and mementos, taking an optional carriage ride past sorbet-colored buildings, or touring in a glass-bottom boat, chances are you'll leave this happy place in the Bahamas with lots of beautiful memories.

(All meals on board)

Day Seven – Day at Sea

Today make our way along the coast of Florida and Georgia to South Carolina. Give Lady Luck a try in the casino, catch a movie, or simply relax poolside with a good book. This evening, why not see a Vegas-style show or dance the night away under the stars on your last night on board. (All meals on board)

Day Eight – Disembark the M/S Fantasy

We arrive back in Charleston this morning well rested from our five glorious days aboard the M/S Fantasy. We disembark the ship and begin our journey home by traveling north into Kentucky to the college town of Berea. Our farewell dinner tonight is at the historic Boone Tavern and is hosted by your Tour Manager. (Breakfast and dinner)

Day Nine – Travel Home

We continue north through Kentucky and travel home with wonderful memories of our Bahamas cruise aboard the Carnival M/S Fantasy. (Breakfast)
